HOURS OF WORK AND BASIC WORKWEEK

Section 1. Basic Tour of Duty

The normal tour of duty will consist of five consecutive days of 8 work hours, Monday through Friday, commencing between 0630-0800. A period of 7 consecutive days beginning at 0001 on Sunday and ending 2400 the following Saturday constitutes a normal administrative workweek.

Section 2 Changes in Tour of Duty and Administrative Workweek

Changes in the prescribed basic regular tour of duty or normal administrative workweek for specified individuals or for special groups of Employees may be approved by the Commander or designated representative. To change a Tour of Duty, a written notice must be given to the employee 2 weeks in advance of the change except when the agency determines it would be seriously handicapped in carrying out its functions or that costs would be substantially increased. A copy of the written change in Tour of Duty must be sent to the Union President as soon as the Employer determines the new tour of duty.

Section 3. Coverage

Tours of duty will cover a minimum of 40 hours per administrative workweek for all full time Employees or other employees whose appointment, as reflected on their SF 50, is less than 40 hours per administrative week.

Section 7. Clean Up Time

Each major organizational element will, where necessary, determine and allot a reasonable amount of time sufficient for clean up and storage of work tools, equipment, and personal hygiene. No across-the-board clean up time will be established. In those instances where it has been clearly established that clean up is required, 15 minutes is considered reasonable time; however, time

required and allotted may vary depending on work areas and conditions. This does not preclude the Employer from assigning other types of work during this specified period.

Section 8. Effect Upon Alternate Work Schedule Article

This article does not supersede or nullify anything negotiated in the Alternate Work Schedule Article.

ARTICLE 12

ALTERNATE WORK SCHEDULE

a. The Employer will establish an Alternate Work Schedule (AWS) for bargaining unit employees. The standard work schedule will be 8 hours a day 5 days a week. The AWS will be 5-4-9 or 4/10 Compressed Work Schedules (CWS). CWS will be provided as specified here to all members of the bargaining unit, if workload, customer needs, and mission requirements permit as determined by management. The CWS 5-4-9 schedule consists of eight 9 hour days and one 8 hour day in an 80 hour pay period. The additional non-work day in the pay period may be Friday or Monday of the first or second week of the pay period. The employee will request which Friday and Monday and management will accept or reject based on workload, customer needs, and mission requirements.

b. The CWS 4/10 schedule will consist of four ten-hour workdays and one day off per week which will be either Tuesday or Wednesday subject to workload requirements. If more than one-third of the employees request CWS 4/10, service computation date seniority will take precedence. Employees will request changes to their CWS in writing 2 weeks in advance of the pay period the employee wants the change to start and will be subject to approval of management based on workload, customer needs, and mission requirements. 5-4-9 tours of duty begin from 0630-0800, within 15 minutes intervals. 4/10 tours of duty begin from 0630-0730 within 15 minute intervals with ending time no later than 1800.

c. The Employer will establish a Flexible Tour (flexitour) for all members of the bargaining unit who work standard 8-hour days if workload, customer needs, and mission requirements permit. The employee will be able to choose a starting time, in 15 minute intervals, between 0630 and 0800. If an employee wishes to change their flexitour, the employee must request the change in writing 2 weeks prior to the pay period they want the change to be effective. Changes in flexitours will be subject to mission requirements. Temporary changes in an employee's flexitour, of 1 day but less than 6 days, may be requested 1 day in advance and are subject to management approval based on workload, customer needs, and mission requirements.

d. Lunch periods will be of 30 or 45 minutes of non-work time and will not be taken in conjunction with breaks.

e. Employees may initially submit their requests for CWS and flexitour 2 weeks prior to the first full pay period, 30 workdays after the effective date of this Agreement. The effective date of the requests for those employees permitted to participate in CWS and flexitour will be the first full pay period 30 workdays after the effective date of this agreement.

compensatory time in writing. Compensatory time off will be limited to General Schedule Employees.

i. Employees working in shift operations may not be allowed to participate in CWS if management cannot make it fit with other employee work schedules or if workload, customer needs, or mission requirements will not be met.

j. A holiday in-lieu of holiday will equal the number of hours an employee is scheduled to work that day. Employees who work CWS do not have to make up the one-hour or two-hour differences in an eight-hour holiday. If a holiday falls on an employee's non-workday, the employee will request that the preceding or following workday be designated as the "in lieu of" holiday, subject to approval by the supervisor.

k. Credit Hours. An employee who works an eight-hour day tour of duty may request credit hours. Credit hours must be requested by the employee and approved by the supervisor prior to being worked. Credit hours will be worked and recorded in one-hour increments per day up to a maximum of 24 credit hours. Therefore, balances over 24 hours must be used within the same pay period in which they are earned. Credit hours may not be earned on days that leave is taken. Credit hours can be worked and used on the same day or credit hours may be accumulated for use in subsequent pay periods. Part-time employees may not carry more than 25 percent of their biweekly basic work requirements to a subsequent pay period. Credit hour balances in excess of the maximum carryover at the end of the pay period will be forfeited.

f. The Union will be able to represent the employee in an EEO complaint and the Union Official will be on representational time.

g. Union representatives may be considered for appointment as EEO counselors only to the extent that the duties of such do not present a conflict of interest. LEAVE

Section 1. Annual Leave

a. Employees shall earn annual leave IAW applicable laws. Accrual of annual leave is a right of the employee and its accrual may not be denied. The taking of annual leave is also a right of the employee, subject to leave being scheduled IAW work requirements. The Employer will attempt to satisfy the desire of employees with respect to approving annual and emergency (unscheduled leave). If the leave is denied, the Employer will provide the reason to the employee. The number of employees to be granted annual leave during holiday periods will be based upon the supervisor's estimate of work load and/or operational requirements. Overtime shall not be used solely as a basis for denial of scheduled and/or emergency annual leave.

b. When the Employer finds it necessary to refuse or cancel leave and the refusal or cancellation results in the employee losing leave at the end of the year, if requested, the reasons for such action will be furnished in writing to the affected employee. Any annual leave that the employee would lose at the end of the leave year because of the refusal or cancellation may be restored to the employee's leave account as prescribed in regulation.

c. When an employee at the worksite requests annual leave by submitting an official leave request form, the supervisor or his/her designated representative shall either grant or deny the employee's request immediately if leave is being requested for the same workday, or not later than the end of the same day if emergency leave is being requested for the immediate following and/or subsequent workdays.

d. Except where circumstances beyond the control of the employee do not permit, the employee must contact his/her supervisor or the supervisor's designated representative during the first half of the assigned tour of duty and request approval of the use of emergency annual leave.

Section 2. Sick Leave

a. An employee has a right to use accrued and accumulated sick leave whenever he/she is incapacitated by reason of illness or injury; is receiving emergency medical, dental, or optical examination or treatment; or would jeopardize the health of others because of exposure to a contagious disease. Approval, of course, is contingent upon submission of acceptable support evidence. In the absence of fraud or subterfuge, the entitlement to use sick leave is a basic right of every employee which may not be denied. The right of the employee to take sick leave for non-emergency medical, dental, or optical examination is subject to the requirement that sick leave be requested in advance and to the authority of the designated official to approve or disapprove the proposed time based on the need for the employee's services.

b. Employee shall earn sick leave IAW applicable statutes and regulations.

c. Notice of illness or disability shall be given by the employee to their supervisor or his representative as soon as possible and normally NLT 2 hours after normal time of reporting for work on the first day of absence. If the degree of illness or injury prohibits compliance with the 2 hour limit, the employee will report his absence as soon as possible. When an employee is requesting sick

leave, for workload planning purposes, the employee will, to the best of his/her ability, inform his/her supervisor or designated representative as to when he/she may be expected to return to work.

d. Normally, an employee shall not be required to furnish a doctor's certificate to substantiate a request for sick leave for 3 workdays or less. However, in cases where there is reasonable cause to suspect abuse of sick leave a written notice may be issued to the employee that they must furnish a medical certificate to support any period of sick leave. The notice will include the factual reasons thereof. Prior to issuing a written notice, the supervisor may elect to counsel the employee.

e. It is agreed that all such cases requiring a medical certificate for each absence shall be reviewed by the immediate supervisor or his/her designated representative for the purpose of determining when such a requirement can be eliminated. Each review shall take place at the end of 6 months from the date of issue of the written notice requiring a doctor's certificate and shall be removed from the employee's record if the situation has been corrected for a continuous period of 6 months. Certificates must be submitted by the employee within 7 calendar days after return to duty.

f. Periods of absence of sick leave in excess of 3 consecutive workdays ordinarily must be supported by a medical certificate to be filed within 7 calendar days after return to duty. In certain instances, it may be unreasonable to require such a certificate. In such cases, a signed statement by the employee stating the nature of this need for such leave and the reasons why a certificate was not obtained may be acceptable in lieu of a certificate.

g. Employees who, because of illness, are released from duty are normally not required to furnish a medical certificate to substantiate sick leave for the day released from duty. However, the supervisor retains the discretion to require this as necessary. Subsequent days of absence shall be subject to the provisions of other applicable sections of this Article and pertinent regulations.

Section 3. Military Leave

Military leave for training purposes is allowed. Such grant of military leave will be granted IAW appropriate Civilian Personnel Regulations and appropriate laws.

Section 4. Voting and Registration Leave

a. The Employer agrees that employees will be excused to vote or register in national, state, and local elections or referendums for periods of time that may be necessary to ensure them an opportunity to vote on an election day IAW DA regulations.

b. The Employer and Union agree that should an employee's voting place be located beyond a 40 mile radius from the employee's worksite or when absentee ballots are not permitted or voting laws require the voter to personally appear to obtain and/or cast such absentee ballot on other than non-workdays, or an employee's polling place is not open for a national, state, local election or referendum, at least 3 hours, either before or after an employee's regular hours of work, the employee may be granted an amount of excused leave which will permit him/her to report to work 3 hours after the polls open or leave 3 hours before the polls close, whichever requires the lesser amount of time off. The Employer agrees to observe a liberal policy in granting the necessary leave for this purpose. However, an employee's time off for this purpose in excess of 1/2 day shall be charged to annual leave and if annual leave is exhausted, then to Leave Without Pay (LWOP).

c. The Employer further agrees that for an employee who votes in a jurisdiction which requires registration in person, such employees may be granted time off to register on substantially the same

basis as for voting, except that no such time off shall be granted if the employee can register on a non-workday and the place of registration is within a reasonable 1 day round trip travel distance of the Employee's place of residence.

Section 5. Excused Absence - Blood Donation

Each time an employee participates in an authorized blood donation program, the Employer will allow administrative leave for recuperation, in addition to travel time to and from the place of donation, subject to workload requirements and in accordance with Redstone Regulation 690-2.

A female employee may use available sick leave to cover the time required for physical examinations and periods of incapacitation due to pregnancy. Male employees may be granted annual leave or LWOP for paternity purposes.

- (3) The care of spouse, son, daughter, or parent of the employee who has a serious health condition; or
- (4) A serious health condition of the employee that makes the employee unable to perform the essential functions of his/her position.

c. The FMLA leave may be taken intermittently, or the employee may work under a work schedule that is reduced by the number of hours of leave taken as family and medical leave. An employee may elect to substitute other paid time off for any unpaid leave under the FMLA. The FMLA leave is in addition to other paid time off available to an employee.

d. Upon return from FMLA leave, an employee must be returned to the same position or to an "equivalent position with equivalent benefits, pay status, and other terms and conditions of employment".

e. An employee who takes FMLA leave is entitled to maintain health benefits coverage. An employee may pay the employee share of the premiums on a current basis or pay upon return to work.

f. The employee must provide notice of his/her intent to take family and medical leave not less than 30 days before leave is to begin or as soon as practicable.

g. The Employer may request medical certification for FMLA leave taken to care for an Employee's spouse, son, daughter, or parent who has a serious health condition.

Section 8. Leave Sharing

The Employer will support the program of leave sharing. Any eligible employee in need of sick leave shall be able to submit his/her name for leave sharing. Through supervisory channels, any donated leave will be given to the employee to alleviate the LWOP, etc.

Section 9. Leave of Absence

An employee may be granted a Leave of Absence from work to tend to personal problems or illnesses which do not fall under the FMLA. The employee will submit his/her request to the Employer 10 working days in advance of the need date or as soon as practicable. The Employer may grant LWOP on an individual and equitable basis. Criteria to be taken into consideration are employee needs, the mission, and work history of the employee.

Section 10. Advance Sick Leave

Section 11. New Leave Entitlements

An employee may use sick leave to give care to a family member having an illness, injury, or other condition which, if an employee had such condition, would justify the use of sick leave IAW current or future law.

Section 12: Court Leave

a. The Employer agrees to authorize Court Leave for Employees for jury duty or to appear as a witness, IAW applicable regulations. Employees are encouraged to request specific information regarding the authorization of Court Leave at the time that they become aware that they may need to participate in a judicial proceeding.

b. If an Employee on Court Leave is excused or released by the court prior to the end of their otherwise scheduled tour of duty, the employee will contact their supervisor for further instructions.

Section 13. Excused Absence for Climatic or Disaster Conditions

a. When appropriate notice has been received that all or part of the installation will be closed because of climatic or disaster conditions, the Employer will notify employees and will excuse eligible employees as defined in CPR 990-2 from duty without loss of pay or charge to leave for the period that the installation or part of it is closed.

b. The Employer and the Union agree that the following or other still apply:

(1) Employees who are on prior approved annual or sick leave for the entire day will be charged leave only for the period of time up to the early dismissal.

(2) Employees who after having been on duty during the first part of the day absent themselves on either approved annual or sick leave before notice of early dismissal decision is received will be charged leave only for the period of time up to the time of early dismissal.

(3) Employees who apply for annual or sick leave after the receipt of an early dismissal will be charged leave in multiples of 1 hour for the time to the early release.

(4) When an employee is forbidden by state or local authorities to proceed on a public roadway and a reasonably accessible alternate route is not available, or the Arsenal is opening late due to inclement weather, then the employee may request excused absence IAW Redstone Regulation 690-2.

Should all bargaining unit employees decline available overtime in the affected unit, the overtime may be worked by non-bargaining unit employees or supervisors.

b. MERIT PROMOTION

1. Promotions will be based on merit system principles except where specifically authorized by law and regulation (5 CFR 335).

2. Selection for promotion and advancement will be determined solely on the basis of relative ability, knowledge, and skills, after fair and open competition that assures that all receive equal opportunity.

3. An automated candidate evaluation program (currently RESUMIX) employing an Inventory Based Recruitment System (IBRS) will be used as the merit promotion system for filling positions. Should DoD or Army adopt a different automated system that operates under the same general principles as the current system, the procedures described below will remain in effect. The parties agree that the implementation of the automated system, RESUMIX, will result in the use of Army and regional merit promotion plans with local supplementation.

4. In accordance with 5 CFR 335, Management has the right to select or not select from any available recruitment sources. This includes the automated system, RESUMIX, Delegated Examining Unit List, and other appropriate sources of recruitment. The selecting official will use a selection checklist, consider all referred candidates, and provide job related reasons why the selectee is the best candidate for the position. If the selectee declines, a second selection should be made from the referral list. If there are three or more referred candidates, reasons must be provided, reviewed by the CPAC, and accepted by the servicing Civilian Personnel Operations Center prior to issuance of a second referral list for the same Request for Personnel Action. Final selections must be reviewed by at least one level higher than the selecting official.

a. The minimum area of consideration may vary depending on the needs, attracting applicants from diverse backgrounds, manpower/budget restrictions, and the number and quality of applicants expected. Normally the minimum area will include the CPAC serviced workforce unless a smaller area (command/activity or below) can produce at least five best-qualified candidates. If there are less than five best qualified candidates and the area of consideration included the entire CPAC serviced workforce, the selecting official can either choose to select from the list or request the area of consideration be expanded.

b. Vacancy announcements will be posted on the Army web page and will be open for a minimum period of 11 workdays. Supervisors will make and post copies of announcements for employees who do not have web access.

c. For each recruitment personnel action, the top 25 candidates who possess all required skills will be referred as "best qualified." If there are less than 25 candidates who possess all required skills, all will be referred as "best qualified." If there are more than 25 candidates who possess all required skills, candidates will be ranked based on possession of job related desired skills. If there are other applicants who are tied with the 25th applicant, they will also be referred. If multiple vacancies are known at the time the list is issued, one additional candidate can be referred for each additional vacancy plus ties. For example, if there are 3 vacancies, 27 names plus ties can be referred.

d. The automated system RESUMIX IBRS, will be used as the method for evaluating candidates to determine those who are referable as best qualified under competitive merit promotion

procedures. Candidates must possess all required skills and will be ranked based on the number of desired skills they possess. Required and desired skills may be adjusted to achieve a valid referral list. The names of the candidates will not be released to the selecting official until the list is issued.

e. The Employer will provide access to a government computer for employees to submit resumes to RESUMIX and to self nominate for vacant positions.

f. Candidates will use the web based ANSWER system or any subsequently developed web based systems, for information on referrals and selections.

g. Interviews:

(1) Interviews will be conducted for General Service (GS)-14/15 or equivalent positions. Interviewing is optional for other positions. If interviews are conducted, job related reasons may be used to reduce the number to not less than five candidates to be interviewed.

(2) If interviews are conducted, the interview questions must be approved by the reviewer prior to conducting interviews, and a nondisclosure statement will be signed by all panel members (if used) and by all interviewees. All candidates should be asked the same questions.

(3) Interviews will not be used to test the candidates, but will be concerned with experience and training. Interview results should not be given undue weight, rather they should be combined with the results of other evaluation factors to determine the candidate's final position relative to other competitors. Interview results are only part of the overall process and must be used in combination with other evaluation criteria.

h. Panels, if used, must include a minimum of three members, but five members are preferred. To the extent possible, the composition of the panel should include at least a minority, a female, and a non-minority, and the members should be at least the same or higher grade.

i. The Employer may invite qualified bargaining unit personnel to serve as observers of the rating and ranking of candidates accomplished by selection panels. The organization filling the vacancy will approve these observers. Observers will occupy positions that are at a grade level no lower than that of the position being filled and will be familiar with the kind and level of responsibilities involved.

j. The selecting official will consider all referred candidates and provide job related reasons why the selectee is the best candidate for the position. Selection matrices will be prepared and maintained by the selecting official to respond to any inquiries or complaints. Selection matrices will include names and analysis of all candidates along with weights/reasons for each factor used.

k. The selected employee will be released not later than the beginning of the second pay period following the pay period in which a release date is requested.

l. Temporary promotions for more than 120 days will be done competitively (more than 179 days in activities undergoing major draw downs or closures within two years of the effective date).

m. Temporary assignments of qualified employees to higher graded positions are normally done by temporary promotions when it is expected to last more than 60 days and authority exists to fill the positions within budget, strength, and high grade controls.

5. Selection matrices will be used to document all selections under formal competitive merit promotion or career referral procedures. The experience elements used must be based on the requirements of the specific position being filled. The Employer will ensure that there is a consistent approach used in crediting education, training and awards for similar (same series and grade) positions within their primary organization.

6. The selection criteria and selection matrix must be developed, pre-approved by the reviewer, signed by the selecting official and reviewer, and a copy provided to the CPAC prior to the issuance of the referral list.

7. If interviews are conducted, the interview questions must be approved by the reviewer prior to conducting interviews, and a nondisclosure statement will be signed by all panel members (if used) and by all candidates interviewed.

8. Upon request, selecting officials will debrief non-selected candidates. This will include sharing the selection criteria plus the scores given to the selectee and the non-selected candidate. If composite scores are used, all scores that comprise that composite score will be also be provided. The information released will be sanitized and in accordance with the Privacy Act.

9. The Union may submit a written request for an electronic copy of the merit promotion list, the applications of all referred candidates, and the reasons for selection. Upon request, the reasons for selection will include the selection criteria and a matrix with the scores of all candidates but the names of only the selectee and the concerned employee. All information released will be sanitized and in accordance with the Privacy Act.

10. Management will send an e-mail to LOGSA employees advising of LOGSA positions being announced for competitive application to include information as to how the complete position description can be obtained by the employee.

ARTICLE 27

DETAILS

a. Details are intended only for meeting temporary needs when necessary services cannot be obtained by other desirable or practical means and will be kept as short as possible.

b. The circumstances of when employees may be detailed include, but are not limited to, emergencies caused by abnormal workload, special projects or studies, change in mission or organizations, extended absences, pending description and classification of a new position, or pending clearance.

c. If the need for services is not strictly temporary, the Employer will consider making a permanent assignment to meet the need.

d. An employee need not necessarily qualify for a position to which detailed; however, it is desirable that an employee be qualified for the position and a detail should be reasonably related to an employee's official position and qualification.

e. Details of employees to lower graded positions will be kept within the shortest practicable time limits as required by applicable regulations.

f. An employee shall not be detailed to any position for at least 3 months after appointment from an Office of Personnel Management (OPM) register, except for an emergency detail at 30 days or less.

g. Details to higher-grade positions or to position with more promotion potential: An employee may be detailed to a higher grade position or to a position with more promotion potential up to 1 year, in not more than 120 day increments. Competition is required after the initial 120 day period. Service in a detail position during the initial 120 day period shall not be used as the only determining factor for promotion purposes.

h. Details of employees to same or higher-grade positions will be kept within the shortest practicable time limits as required by applicable regulations.

i. Details in excess of 30 days to higher graded positions or to a position with more promotion potential must be documented on an SF 52.

ARTICLE 63

GRIEVANCE PROCEDURES

Section 1. General

a. The purpose of this Article is to provide for a mutually satisfactory method applicable only to the Bargaining Unit for resolving grievances covered in Section 2 below. This is the exclusive procedure available to the Employer and the Union and the employees in the Bargaining Unit for resolving such grievances. This procedure provides a means of resolving grievances at the lowest level for both the Employer and the Union. The Alternate Dispute Resolution will be used throughout the process.

b. Nothing in this Article is intended to deny any employee or group of employees in the Bargaining Unit the right to present grievances covered in Section 2 below to the appropriate level of management and have them adjusted without the intervention of the Union, as long as the adjustment is not inconsistent with the terms of this Agreement and the Union has been given an opportunity to be present at the adjustments.

c. Inasmuch as dissatisfactions and disagreements arise occasionally among people in any work situation, the filing of a grievance shall not be construed as reflecting unfavorable on an employee's good standing, performance, loyalty, or desirability to the organization. Employees, Union representatives, and all other persons involved in the presentation of a grievance shall be free from restraint, interference, coercion, discrimination or reprisal.

d. An employee or group of employees filing a grievance under this procedure shall be represented by a Union official (elected or appointed), the Union's business agent, or by a Union representative approved in writing by the Union President. However, the employee or group of employees may elect to represent him/her as long as the provisions of Section 1b above are complied with. An employee or group of employees may not elect an individual who is not a Union representative to represent him/her nor hire an attorney to represent him/her during the grievance process without first obtaining permission from the Union and a written release from the Union absolving the Union of any responsibility.

e. This Article is designed to provide an ethical, orderly, and suitable means for resolving Employer/Employee and Union grievances. Accordingly, the Union agrees that, when representing members of the Bargaining Unit, it will not take any action on the grievance before the Employer has been given an opportunity to resolve the problem in a timely manner. Bargaining unit members, who are grievants, if in an active duty status, shall be allowed a reasonable amount of official duty time during their regular work hours for participation in the procedure of this Article. The Employee shall be allowed reasonable use of Government equipment and supplies in the preparation of his/her grievance. Witnesses, when called to participate during the grievance presentation and preparation thereof, shall be granted official duty time based on the same provision as the grievant.

f. The Employer and the Union agree that in the case of a grievance involving a group of employees, who have identical grievances, a grievance of one employee shall be selected by the Union for processing and all decisions for that for that one grievance shall be binding on the other grievances.

g. If an employee who has filed a grievance resigns or dies before a decision is reached on a grievance being processed and no question of pay is involved, action shall be stopped and all parties shall be notified. A copy of this notification shall be made a part of the case record.

h. If the Employer and the grievant/Union mutually agree, an extension of time limits shall be granted in writing. Disagreements that cannot be resolved by the parties as to whether or not the Employer's time limitation have been met or exceeded may be referred to arbitration IAW Section 6 of this Article. However, either party may request an extension (from the other party).

Section 2. Coverage.

a. The procedures set forth in this Article cover the interpretation, application, and/or violation of this Agreement; adverse actions; and the interpretation and application by the Employer of published policies and regulations issued or implemented at any level up to and including OPM which concern conditions of employment, as may be appropriate under applicable law. However, the procedures set forth in this Article do not cover those matters expressly excluded by law and regulation and this Agreement.

b. Employees may file grievances concerning suspensions of 14 days or less and adverse actions beginning with the Third Step of this grievance procedure. Also, EEO issues concerning discrimination IAW the EEO Article can be grieved when the employee alleges discrimination based on the reasons set forth in Chapter 23 Title 5, Section 2203(b) (1), U.S. Code, where he/she has the right to request the EEO Commission, Washington, D.C., to review the final decision rendered on the grievance. The employee has the prerogative to select pursuit of an EEO claim through the EEOC channels or this grievance procedure, but not both. Grievances concerning suspensions or adverse actions must be filed with 20 calendar days after receipt of the decision letter related thereto, or within 20 calendar days after the effective date of action, whichever is later. An employee shall be determined to have exercised the option of filing under this grievance procedure or appealing (Merit System Protection Board) the matter at such time as he/she files a timely grievance in writing at the Third Step of this procedure, or at such time as he/she files a timely notice of appeal under appropriate appellate procedures, whichever occurs first. A Union representative shall have the opportunity to represent an employee during the appeal process. The representative shall be on representational time.

c. Questions that cannot be resolved by the parties as to whether or not a grievance is on a matter subject to this grievance procedure or is subject to arbitration may be referred to an arbitrator IAW Section 6 of this Article. If such a question arises, the grievance

proceedings shall be halted without prejudice to either party until a decision is received by the parties from the arbitrator.

Section 3. ADR Procedure

a. General. The purpose of this article is to provide a method applicable to bargaining unit employees for the mutually satisfactory settlement of complaints. This procedure utilizes a mediator and a less formal process to assist the employee(s) and the Employer in crafting a solution to a complaint. If you choose to participate in mediation, the informal period will be extended an additional 60 days to accomplish the mediation. If mediation is successful, a negotiated settlement agreement will be signed by the participants. If mediation is not successful, the grievance procedure may be invoked at the Third Step.

b. Coverage. A bargaining unit employee seeking resolution of a complaint, which could be properly filed as a grievance under the negotiated grievance procedure of this agreement, may choose to use the ADR method described in this article as an alternative instead of filing a formal grievance.

c. Procedure:

(1) Employees desiring to utilize this dispute resolution procedure must notify the supervisor in writing within 20 workdays after the act, or knowledge of the act, or specific incident giving rise to the complaint. A complaint based on continuing conditions may be presented at any time. Failure to adhere to the stated time limit shall result in the loss of the opportunity to use this procedure unless the Employer is agreeable to granting an extension of the time limits. The employee's notification must explain the nature of the employee's complaint to include the article of the Agreement, regulation, rule, and/or policy to include specific paragraph that the employee considers to have been violated. The written notice will be in the following format:

ALTERNATIVE DISPUTE RESOLUTION NOTICE

Employee's Name _____ Series and Grade _____
Title _____ Organization _____
Telephone No. _____ Immediate Supervisor _____
Union Representative (if any) and Telephone No. _____

Nature of the complaint including the article of the Agreement, regulation, rule, and/or policy to include specific paragraph that the employee considers to have been violated and an explanation of how the alleged violations occurred and the specific personal relief being sought. _____

Employee's Signature _____ Date _____

Receipt/acknowledgement (signature of immediate supervisor) _____

Date Received _____ Date returned to the employee _____

(2) The immediate supervisor will sign and date the receipt/acknowledgement line on the notification form, return a copy to the employee, and will begin the process to institute the dispute resolution procedure within ten additional workdays. Personal delivery of the notification form between the employee and the supervisor would be most efficient and is recommended.

(3) The ADR procedure consists of the following steps:

Step 1: After proper notification by the employee, the immediate supervisor, within ten workdays, will advise the CPAC of the employee's choice to utilize this dispute resolution procedure.

Step 2: The CPAC will seek the services of a neutral, professional mediator to aid and facilitate the parties in achieving settlement of the dispute. The Employer will pay the expenses for the mediator. The Employer will provide a facility and equipment necessary and appropriate for holding mediation sessions. The CPAC will coordinate the date, time, and location of the mediation session and provide written confirmation to the primary parties.

Step 3: The mediation session will be held on a normal workday for the employee and will last no more than eight hours. If no conclusion or resolution is reached before the end of eight hours, the mediation process will be terminated and considered finished unless all primary parties, including the mediator, agree to continue. The employee will be entitled to have a Union representative at the mediation session to assist the employee in presenting the case. The employee may offer witnesses who voluntarily agree to appear at the mediation session at their own expense. Such witnesses who are Federal employees will be on official time during participation if they would otherwise be in a duty status. Witnesses who work on second or third shift may be granted administrative leave or will have their schedule changed to first shift on the day of the mediation session. The Employer may also offer witnesses at the mediation sessions. The Employer will choose individuals to represent Management who have the authority to agree to any resolution reached.

Step 4: If the parties reach a resolution, the written agreement will be signed by the employee, the Union representative (if any), the Management representative, and the mediator. A copy will be given to all primary parties present at the mediation session. The Employer may provide the terms of the settlement to personnel who have a need to know. The employee and the Union agree that the employee's complaint is resolved and the Employee's right to file a grievance under the negotiated grievance procedure regarding this complaint is nullified by the settlement.

Step 5: If no resolution is reached in the mediation session, the result will be documented and signed by the participants. The employee may then initiate Third Step of the grievance procedure in accordance with the provisions of this contract within 20 workdays following the date of the mediation session.

Section 4. Traditional Three-Step Grievance Procedure

The traditional three-step grievance procedure may be used for any grievable matter.

a. First Step:

(1) The employee and/or his/her Union representative shall advise the immediate supervisor that he/she wishes to file a grievance. The contact with the supervisor shall be made within 20 workdays after the act, or knowledge of the act, or specific incident giving rise to the grievance that he/she is instituting the negotiated grievance procedure. The supervisor shall acknowledge the request and set a mutually agreeable time and date for the first step meeting, normally within 10 workdays. At the meeting, the employee and his/her Union representative, if any, must present, in writing, the nature of the problem, the personal relief sought, and the name of the Union representative, if any. Grievances resulting from continuing conditions may be presented at any time. Failure to adhere to the time limit may result in denial of the grievance if the aggrieved party causes the delay.

(2) If there is no question as to grievability or timeliness and the matter is within the scope of the supervisor's authority, an effort shall be made to work out a mutually satisfactory adjustment. If the matter cannot be resolved or if it is outside the scope of the supervisor's authority, the discussion shall serve as a basis for clarifying the issues involved prior to referral to Step 2.

(3) The First Step supervisor shall render a brief written decision to the grievant, his/her Union representative, if any, within 10 workdays after conclusion of the First Step discussion, unless mutually agreed (written) on an extension.

(4) If the employee is not satisfied with the decision of the First Step supervisor, he/she or his/her representative shall, within 10 workdays after receipt of the decision, provide a written notice to the First Step supervisor to advise of his/her desire to pursue the grievance further. The 10 workdays shall begin at receipt of the first step decision by the affected employee. By mutual written agreement of the parties, timeframes may be extended. The written notice shall be in the format below.

b. Second Step:

SECOND STEP - EMPLOYEE WRITTEN GRIEVANCE REPORT

Employee's Name _____ Series and Grade _____

Title _____

Telephone: _____ Organization _____

Supervisor _____

Name of Representative (if any) and Telephone Number _____

Nature of grievance, including Article(s) of the negotiated agreement, policies, and regulation(s) as may be appropriate under applicable law (to include specific paragraph, subparagraphs, etc.), an explanation specifying how, when, and to what extent the negotiated agreement, policies or regulation(s) were violated.

Personal Relief Sought: _____

Date: _____ Employee's Signature _____

Upon receipt of the written notice of the grievance, the First Step supervisor shall make arrangements for a Second Step meeting between the employee, his/her Union representative, and the Second Step official. The Second Step deciding official shall be the Chief of Primary Organization Element (POE) immediately below the Commander or comparable level having authority to resolve the grievance identified in the Employee Grievance Report. (The Chief of the POE may delegate the responsibility of Second Step deciding official no lower than the Chief of a next lower-level organization only in emergencies or by agreement of the parties or if necessitated when functional responsibilities have been specifically designated to a position by the Commander or comparable level.) The employee and Union Representative, if any, shall be provided written notice of when and where the meeting will be held. The Employer will set a mutually agreeable date, time, and location for the second step meeting. This meeting shall be held within 10 workdays after the date of receipt of the Employee Grievance Report by the First Step supervisor. The 10-day window may be extended only by mutual agreement. Documents relating to the grievance and utilized by any party at this meeting shall be made available to the other parties, subject to legal, regulatory, or other restrictions (e.g., Privacy Act, etc.). By mutual consent, the Union and/or the Employer shall be able to have trainees present during the meeting. The grievant or Union

representative, if any, shall present the case (for the grievant), question witnesses, etc. The Second Step deciding official shall provide a stenographer from within his/her work force to take minutes and come as close as possible (within his/her capabilities) to recording verbatim testimony of the proceedings. A tape recorder can be utilized as long as it is agreeable to both parties. The Second Step deciding official shall render a written decision to the employee and Union representative with minutes, documentation, and the basis for the decision (including minutes of Second Step meeting) within 10 workdays after the Second Step meeting. The Union President shall be provided a copy of the Second Step decision. The 10 day window may be extended only by mutual agreement.

Peer Panel Option

Any employee can choose to utilize a peer panel at the Second Step. If the employee elects the peer panel, the employee shall nominate four employees to be on the panel. The employees shall be of equal or higher grade than the grievant, and shall not be supervised by the same first-line supervisor as the grievant. The Second Step deciding official shall select three of the four employees to serve as the panel and coordinate with all parties. The panel will hear the grievance and each panel member will make an advisory decision within ten workdays of the Second Step hearing's conclusion. The peer panel decision is the majority of the individual peer panel member advisory decision. The Second Step deciding official reviews the advisory decisions and has ten workdays to render a final decision. If the Second Step deciding official and the grievant accept the conclusions of the majority of the panel members, the decision shall be final and preclude any further appeal under this article. At the peer panel hearing, the grievant or representative will present the case, which may include exhibits and witnesses. A copy of each peer panel member's advisory decision and Second Step deciding official's final decision will be furnished to the grievant, the Union Representative, and the Union President.

In the event the Second Step decision is not acceptable to the grievant, the employee may submit the grievance in writing to the Commander. The written grievance shall be submitted within 10 workdays after receipt of the decision from the Second Step deciding official by the employee. An extension of the 10 workdays may be granted only by mutual agreement.

c. Third Step:

(1) The written grievance will be addressed through supervisory channels to the Commander, ATTN: CPAC (AMSAM-PT-CP-CSC). A copy of the grievance, as filed with the Commander, must be furnished at the same time to the Second Step deciding official and President of Local AFGE 1858. The grievance package will contain the following information:

(a) Employee's name and organization and the name of the Union representative, (if any).

(b) Specific nature of grievance including Article(s) of the negotiated agreement, policies, and the regulation(s), as may be appropriate under applicable law (to include specific paragraph, subparagraph, etc.).

(c) An explanation specifying how, when, and to what extent the negotiated agreement, policies, or regulations, were violated.

(d) Personal relief sought.

(e) Statement that attempt has been made to resolve the grievance IAW Steps One and Two.

(f) A copy of the Employee Grievance Report, minutes, and the written decision from the Second Step.

(g) Employee position paper (if desired). Sealed to Commander.

(h) Management (Second Step Official's) position paper. Sealed to Commander.

(2) A sealed Union position paper will be presented to the Commander within 10 working days of submission of the Third Step grievance, unless an extension is granted.

(3) If desired, the Union and Management will be allowed NTE 15 minutes each to orally brief the position paper to the Third Step deciding official. The Union must initiate arrangements for the briefing within 5 workdays after submission of the Union position paper. Only one Management official and one Union official (or the grievant, but not both) will attend the presentation to the Commander. The grievant (unless representing himself), other Union representatives, and other management officials will be excluded from this briefing. Any exceptions to this attendance will require the concurrence of both parties. If the grievant represents himself/herself, a Union representative may act as an observer.

(4) The Commander will grant or deny the grievance. A copy of the package and the decision will be furnished to the grievant and main Union office within 20 workdays after completion of c(3) above. The responsibility of the Third Step deciding official may be delegated only in emergencies or by agreement of the parties.

Section 4. Official Time

Upon request of the employee, supervisors shall grant a reasonable amount of time, during regular working hours, for employees to discuss, prepare for, and present grievances, including attendance at meetings with management and Union officials. However, if the supervisor decided that compelling and imperative work related circumstances preclude the employee from being released from his/her duties at the time requested, he/she shall explain the reasons and advise the employee when he/she shall be able to leave. Additionally, upon request of the employee, he/she shall be allowed reasonable use of Government equipment, i.e., telephones, computer, printer, copier, and fax. Employees have the right during

grievance discussions with supervisory officials to have a Union representative present when so requested by the employee.

Section 5. Union-Employer Grievance Procedure

Should a grievance arise between the Employer and the Union which falls within the scope of this Agreement and which is not an individual employee's grievance, the matter shall be resolved in the following manner: The complaining party shall notify the other party of the grievance in writing within 15 workdays after the act or specific incident giving rise to the grievance. Within 10 workdays of such notification, the complaining party shall schedule a meeting between the parties to attempt to resolve the matter. When the complaining party determines that further discussion(s) cannot resolve the grievance, that party shall so advise the other party in writing within 10 workdays after the most recent discussion. Within 20 workdays of this advice, the complaining party may request arbitration IAW Section 6 of this Article.

Section 6. Arbitration

a. This procedure provides for the arbitration of grievability or arbitrability questions and unresolved grievances which have been processed under the negotiated grievance procedure of this Article. Arbitration may be invoked by the Employer and/or the Union, but not by the employee.

b. Questions that cannot be resolved by the parties as to whether or not a grievance is on a matter subject to grievability, arbitrability, or statutory appeal procedures under this Agreement may be referred by either party to an arbitrator for decision. Grievance or arbitration proceedings will be halted without prejudice to either party until a decision is received by the parties from the designated arbitrator.

c. A request for arbitration by the Employer or the Union must:

(1) Be in writing and addressed to the Commander, USAMC Logistics Support Activity, or the President, Local 1858, AFGE as appropriate;

(2) Specify the issue, reasons for the request, and the Article(s) of this Agreement, policies, regulation(s), as may be appropriate under applicable law which are at issue;

(3) Specify the relief sought; and

(4) Be submitted within 20 workdays after the following action: Receipt of notice rejecting an issue for grievance or arbitration by either party.

d. No later than 20 workdays from the date of receipt of the written arbitration request referred to in Section 6c above, either party may request the Federal Mediation and Conciliation service to submit a list of five impartial persons qualified to act as arbitrators.

The parties shall, within 10 workdays after receipt of this list, arrange to select an arbitrator. If they cannot mutually agree to one of the listed arbitrators, then the Employer and the Union will alternately strike one arbitrator's name from the list of five until only one name remains. The remaining name shall be the duly selected arbitrator.

e. The arbitration hearing shall be held during regular hours of Monday through Friday. In accordance with applicable regulations, the aggrieved employee, his/her representative, Union trainee, and necessary Employee witnesses shall be in a pay status, if otherwise in a duty status, without charge to annual leave while participating in the arbitration hearing.

f. The fee and expenses, if any, of the arbitrator shall be borne equally by the parties except that the travel and per diem cost to the Employer shall be limited as specified in applicable regulations. Cost of witnesses will be borne by the party requesting appearance of said witness. Upon mutual agreement by the parties or if requested by the arbitrator, a transcript shall be made and the cost will be shared equally by the parties. If either party should require the making of a transcript when there is no mutual agreement or no request by the arbitrator, the requiring party shall bear the cost of such transcript. Should the other party solicit and/or obtain a copy of the transcript through any means, they must pay one-half of the total initial cost of having the transcript made to the party originally requiring the transcript. Other costs shall be borne by the requester, or as mutually agreed to by the Union and the Employer.

g. The arbitrator shall be requested by the parties to render his/her decision as quickly as possible, but in any event, no later than 20 workdays after the conclusion of the hearing, unless the parties agree otherwise. The arbitrator shall have the authority to interpret and apply the provisions of this Agreement. The arbitrator does not have the authority to change, alter, amend, or modify this Agreement. The arbitrator's decision is subject to the provisions of this negotiated Agreement, existing laws, Executive Orders, regulations, and policies. The arbitrator's decision will be in writing, include a statement of the basis for the decision, and shall be forwarded concurrently to the Employer and the Union.

h. It is understood that either the Employer or the Union may file an exception to the Arbitrator's award with the Federal Labor Relations Authority or Federal Court under applicable regulations. In the event an arbitrator's award is appealed by the Union or Employer, then the award shall be stayed pending final determination.

i. Public news releases concerning any information involved in any arbitration case will not be made by either party until the case is finally adjudicated.

j. When the arbitrator has been selected IAW this Article, the party withdrawing from arbitration prior to the arbitration hearing shall pay the full cost of any cancellation fee charged by the arbitrator.

If entry into a new position occurs 120 days or more before the previous rating period ends (and the minimum rating period of 120 days has been served), the ratee will receive a special rating from his/her present rater within 20 workdays after the employee leaves the position. Ratee dissatisfactions concerning the performance appraisal process are subject to the grievance procedure.

Section 4. Values and Ethics

The DA values and ethics evaluations are intended to document positive aspects of the ratee's contributions that do not necessarily result in work output. As part of performance counseling sessions, raters will advise ratees if the ratee is or is not supporting DA values and ethics and indicate what action the ratee may take to show support. Ratees may make comments regarding values and ethics on the rating form or by addendum as appropriate.

Section 5. Career Appraisals
